Our hotel bears the name of the very founder of Saratoga Springs – Gideon Putnam. A visionary who settled near High Rock Spring in 1795, he saw the area's potential and purchased land near Congress Spring to build Putnam's Tavern and Boarding House.

We are proud to present our seasonal menu featuring both organic and sustainable locally harvested products. All seafood on the menu is on the list in the "Best Choices" or "Good Alternatives" categories as currently published by the Seafood Alliance/Monterrey Bay Aquarium Seafood Watch List. Delaware North Companies Parks and Resorts® is strongly committed to working in harmony with our environment to better service our guests.
